LEARN IT. LIVE IT. LOVE IT.

Welcome to a Cheder that sparks **joy, fun** and **happy memories!**

At Chabad our goal is simple: We want our students to view Judaism in an intelligent, relevant, and upbeat light. By the year's end, along with the Aleph-Bet, Jewish history and traditions, your child will have developed a deep love and appreciation for their precious heritage, imbuing their every day with a sense of pride and purpose.

Our programme offers a warm and lively atmosphere that is both fun and meaningful. Our mission is to convey a well-rounded education that both imparts a sense of Jewish identity, as well as knowledge and information about our traditions.

Our weekly sessions blend multi-sensory learning experiences, interactive workshops, mitzvah projects and holiday celebrations. We aim to teach through hands-on activities, movement and games. We may call ourselves a "Hebrew School," but the children often feel like they are in a camp rather than a school!

Jewish Holidays

At Chabad Hebrew School, we don't just learn about the holidays, we experience them! We hear the stories, sing the songs and create wonderful crafts. From playing dreidel to baking matzah, the students use all their five senses to soak up the message of the holidays.

Jewish holidays could never be more fun and memorable than they are at Hebrew School!

ALEPH CHAMP

The **Aleph Champion Program®** is on the cutting edge of Hebrew reading today. Modeled after the Karate/Martial Arts motivational system, it works by dividing different reading skills into levels defined by color. Students understand that their teacher is a black aleph champion and their goal is to reach that level.

Can you imagine children who love reading practice? Aleph Champ time is one of our students' favourite times at Hebrew School! That's because reading is never boring here. The children play games and use new hands-on materials each week to keep Aleph Champ time fun and exciting. One of their highlights is filling up their mini popcorn kernel pots- when it's full, they get to pop them in our popcorn machine! Yum!
